2021 Plot Fees and Deposit Schedule

Garden Name	Plot Size	Plot Fee	Deposit*	Total Due	Volunteer Time
Breckenridge Community Garden at CMC	12'x6'	\$100	\$0	\$100	N/A
Nancy's Community Garden at Senior Center Frisco	8.5'x2.5'	\$50	\$50	\$100	20 Garden Shifts**

*For a refund of your deposit, volunteer time must be completed by garden closure in Sep/Oct (weather dependent each season). HC3 will send out volunteer opportunities beginning in May and then periodically during the season and we can only track hours through sign-up sheets and events. Gardeners are responsible for reporting additional garden hours to HC3. Hours must be from communal volunteer efforts, not from tending to personal garden space. Questions about volunteer time can be directed to your garden's Steering Committee.

**Nancy's Community Garden plots require 20 garden shifts. These shifts are for opening and closing the greenhouse as well as installing and removing greenhouse plastic. All gardeners must attend a garden orientation and pre-register for shifts during the summer.
